

# Reconnecting New Haven: Route 34-Downtown Crossing Public Meeting

The City of New Haven will hold a community informational meeting on the Downtown Crossing Project, featuring the construction schedule and design elements of Phase 2 (the reconnection of Orange Street to South Orange Street) and the design for Phase 3 (the reconnection of Temple Street to Congress Avenue).

**Thursday, November 16, 2017- 5:30-8:00 PM**

**Gateway Community College (Curran Community Center\*)**

**20 Church Street, New Haven**

*(\*enter on the northwest corner of Church & George Streets)*

**5:30: Open House / 6:30: Presentation / 7:15 Question & Answer Session**

Meeting location is Americans With Disabilities Act (ADA) accessible. Language assistance may be requested by contacting (850) 815-9426 at least 5 business days prior to the meeting. Language assistance is provided at no cost to the individual making the request.

### Learn about project benefits including:

New Economic Development Opportunities

Placemaking & Public Spaces

Traffic Calming; Pedestrian and Bicyclist Improvements

Green Infrastructure

**About Downtown Crossing:** Downtown Crossing is a City of New Haven infrastructure project that rebuilds the Route 34 expressway stub, reestablishes the urban street grid by reconnecting the city streets, and reclaims portions of land that had long been unavailable for development due to the former expressway's right-of-way.
